THE ELMBRIDGE PARKING REVIEW has just been approved by Surrey County councillors. This is the annual look at lines, signs and street parking in Elmbridge. Over the borough as a whole there were over 400 requests for changes - usually new restrictions of one sort or another. A fair number of these being requests for yellow lines at junctions. As our roads get ever busier and there is more competition for the finite space available we are seeing more parking in unsuitable locations regrettably. This year in council the local committee will be taking a special look at Controlled Parking Zones for residents so if you have opinions about these or want to nominate any roads to be looked at in the 2015 parking review, then please get in touch with Highways (highways@surreycc.gov.uk) or myself. In this year's review St. George's Hill Ward will see changes to Brooklands Road at The Fairway, Hanger Hill, Julian Hill, St. George's Avenue, Locke King Road and Queens Road. The review list starts afresh every year and you can submit your road for consideration any time between now and the end of the year.
