Mrs Sheila P Bryant
3 Lonsdale Road
WEYBRIDGE
KT13 0TQ

Dear Mrs Bryant,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Elmbridge Borough Council Elections : 5th May 2022

Ms Precious Nash
3 Segrave Close
WEYBRIDGE
KT13 0TD

Dear Ms Nash,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

KT13 0XN

Dear Mr Wordsworth,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Mr Brian C Lazell
Elm Croft
The Fairway
WEYBRIDGE
KT13 0RZ

Dear Mr Lazell,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. KT13 0BY

Dear Mr Dees,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Elmbridge Borough Council Elections : 5th May 2022

Mrs Jennifer A Lemon
Withdean
Cavendish Road
WEYBRIDGE
KT13 0JW

Dear Mrs Lemon,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. Dear Ms Nagy,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Mrs Susanna V Pegram
26 Daneswood Close
WEYBRIDGE
KT13 9AY

Dear Mrs Pegram,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

KT13 0PW

Dear Harlina Qureshi,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Ms Vicky Duplock
22 Queens Court
Ellesmere Road
WEYBRIDGE
KT13 0HX

Dear Ms Duplock,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

WEYBRIDGE
KT13 0HB

Dear Mr Macintyre,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Elmbridge Borough Council Elections : 5th May 2022

Mr Trevor A Saunders
17 Hanger Hill
WEYBRIDGE
KT13 9XX

Dear Mr Saunders,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. KT13 0BZ

Dear Mr Nickell,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Mrs Janet E Horne
23 New Road
WEYBRIDGE
KT13 9BW

Dear Mrs Horne,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. Dear Mr Rushworth,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Ms Linda P Brand
10 Pine Grove Mews
Pine Grove
WEYBRIDGE
KT13 9BD

Dear Ms Brand,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. Dear Dr Russell,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Chamintha R Perera
Flat 4, Broadlands
St. Georges Avenue
WEYBRIDGE
KT13 0DN

Dear Chamintha Perera,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. St. Georges Road
WEYBRIDGE
KT13 0EN

Dear Ms Elliott,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Elmbridge Borough Council Elections : 5th May 2022

Mrs Charlotte E Dunlop
9 Wentworth Dene
WEYBRIDGE
KT13 9AJ

Dear Mrs Dunlop,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. Dear Mr Checa,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Elmbridge Borough Council Elections : 5th May 2022

Mr Terence G Jackson
Ladywood
Byfleet Road
COBHAM
KT11 1EA

Dear Mr Jackson,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. KT13 0JX

Dear Nagham Obaid,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Mr Richard R Ferris
41 Ellesmere Road
WEYBRIDGE
KT13 0HW

Dear Mr Ferris,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. Dear Mrs Darling,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Elmbridge Borough Council Elections : 5th May 2022

Mr Richard P Reay-Smith
Hollyhurst
Godolphin Road
WEYBRIDGE
KT13 0PU

Dear Mr Reay-Smith,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. KT13 0QB

Dear Mr Steel,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Elmbridge Borough Council Elections : 5th May 2022

Mrs Jane E Jamieson
Newlands
South Road
St. Georges Hill
WEYBRIDGE KT13 0NA

Dear Mrs Jamieson,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. Dear Mrs O'Shea,

If you have signed up for a postal ballot for the local elections to be held on 5th May, you should receive it either before Easter or just after. I write to ask if you would consider using it to vote for me, **Charu Sood**, so I may continue my work on behalf of our great community and speaking up for you at Elmbridge Borough Council, as I have done for the past four years.

This year's local elections will be crucial for Weybridge. We can continue with a Liberal Democrat and Independent-controlled Council which has failed to get to grips with the Council's finances, allowed the garden waste collection service to collapse, and threatened our post-pandemic recovery by introducing Sunday parking charges in Weybridge.

Or you can elect a new Conservative Council that will support shops and residents with 30 minutes free parking; develop the scheme to regenerate Weybridge Hospital; and put in place a plan to prevent overdevelopment in our town.

On a personal level, I very much hope you will consider supporting me for a second term as your Councillor. It is an honour to represent our community and I have played a full part in the social, political and community life of Weybridge. I campaigned to force the governing parties to reverse their decisions to close our children's paddling pools and hike-up license fees for our taxi drivers. I launched Weybridge in Bloom to enhance civic pride and it has been a great success – with the regeneration of the top of Monument Hill as a key project this year.

During the pandemic, I started a local group creating scrubs for the NHS, ran litter picks at the cricket green, and delivered meals and food parcels for vulnerable members of our community. I've raised funds for domestic violence victims, and I am involved in supporting Ukrainian families arriving in the local area. In the Council Chamber and outside it, I am always striving to work hard for our community.

I hope the above gives you a sense of the passion and commitment I bring to the role of your local Councillor and the issues at stake. There is much more to do and I ask that you cast your vote for me so that I can continue to deliver for this wonderful community that I feel so fortunate to call my home.

Kind regards,

Charu

Elmbridge Borough Council Elections : 5th May 2022
